

## Footprints

The Vango tent footprints provide additional protection for your tent groundsheet and are designed to fit a specific tent model and size covering the living area of the tent.

- Marks out the position clearly when erecting the tent
- Keeps the tent clean when erecting
- Protects sewn-in groundsheet from stones, thorns, etc.
- Keeps the rest of the tent clean when packing away as without a footprint, the tent will be wrapped up together with the wet and dirty groundsheet as it is attached at all times
- Can be folded up relatively small can then be cleaned easily once home
- Carry bag
