Update

OVERNIGHT CASE

The Overnight Case is extremely versatile case. Offering plenty of space for overnight clothing, computer and work documents, separate compartments make finding essential items quick and easy. The case should fit into most overhead compartments (please check with your airline) making it the obvious choice for quick trips away.

- Excel® 1680D PU texturised nylon body
- 2 wheeled chassis with extendible handle
- Front panel zip entry to main compartment
- **Lockable zips for security**
- **Large zip organiser pocket on front**
- **Small zip pocket on front**
- **Internal contents straps**
- Internal zip and **mesh** pockets
- **Nutria lining with Vango embossed print**
- **ID sleeve**
- Grab handles at side and top
