

# Tent Carpets

Add warmth and softness underfoot and help to prolong the life of your tent by adding a comfortable and durable carpet. The range of Vango woven nylon carpets incorporates a foam middle layer and a waterproof, non-slip PE base to form the perfect companion to your Vango tent. Vango Carpets are designed to fit a specific tent model and size covering the living area of the tent.

- 'Suit all' pattern
- Corner branding for easy positioning and identification
- Woven nylon top
- Foam middle layer
- PE waterproof, non-slip base
- Easy clean, can be brushed, vacuumed or cleaned with a damp cloth if required
- Supplied with handled carry bag
- Packaged in colour presentation box

# Tent Footprints

Protect your sewn in groundsheet by adding a Vango tent footprint to your camping essentials. Designed to fit a specific tent model and size covering the entire floor area of the tent, footprints are easy to remove and clean on your return. They also protect against small tears and holes from stones and rough ground. An invaluable addition to prolong the life of your tent over many happy summers

- Marks out the position clearly when pitching the tent
- Keeps the tent clean when pitching
- Protects sewn-in groundsheets from stones, thorns, etc.
- Keeps the rest of the tent clean when packing away as without the footprint the tent will be wrapped up together with the wet and dirty groundsheet as it is attached at all times
- Can be folded up relatively small allowing it to be cleaned easily once home
- Supplied with carry bag
